Ready to win!

Captain Torres bumps it.

Alverez, E. Hernandez, B. Colon, M. Velasquez, W. Orengo, C. Wooten, C. Turner, G. Martin, G. Trotter (Mgr.), L. Farrell, Ms. J. Brown (Coach).

This year's young team began slowly, making mistakes, and losing many games. But they improved steadily to finish with a very respectable 8-8 season. MVP — Captain Evelyn Torres held the team together through many difficult matches with amazing plays.

A greatly improved Bassick team provided their toughest competition; so, winning one of the two matches against them was very satisfying and rewarding to everyone. First-year coach Jeanelle Brown is looking forward confidently to next year when her whole team will be back with more experience and determination. This team is ready for an MBIAC title next year.

Sheila Brown serves to win.

Torres blocks a spike.

SOCCER

Hampered by a short training period and only one preseason scrimmage, Harding was roughed up by Lee of New Haven. But this youthful team bounced back to shut out Central. Under the leadership of Co-captains David Wilson and Victor Araya hopes ran high for a winning season. Despite some good play, a rash of one-goal losses kept them from both the play-off and a winning season.

Resto ponders the possibilities.

Pereira shoots at Prep goal.

Oothay gets his foot into the ball.

Coach Solis explains the play.

Being of sound mind and hoping that we have complied with the wishes of the class of '81', we here into have affixed our name.

CLASS HISTORY

We entered Harding in the fall of 1977. At first many of us were confused and lost on the grounds, but the teachers let us go for the first week until we got used to the atmosphere. Mr. Shapior gave us a very long welcome encouraging us to achieve and to perform well in school. For the first time we experienced the feeling of not being able to go to many

assemblies as a result of a lack of room in the auditorium, but when we became sophomores that changed.

In our sophomore year we were in the midst of our traditional excellence in sports. Our football team, after a great season, gloriously destroyed our arch-rivals, Central, in the Thanksgiving game. The Harding-Central Hop along with the promises by the city to renovate the halls during the summer were a couple of the many interesting events during our second year at Harding. Our Junior year was the time when we contributed the most to the History of Harding. That was the year we earned our name, "THE CLASS WITH CLASS", because we continually demostrated our exquisite mannerisms and finesse in assemblies and sporting events. We contributed our leadership and endurance to achieve the renovation of the auditorium and the halls. Even though the city did not give us everything we asked for we achieved many goals. We also vigorously participated in the school evaluation. The Junior Day and the Junior Prom were further examples of our involvement in school.

Then we were promoted. We became Seniors and enjoyed all the privileges and respect of upper classmen. As the year progressed we strived for more knowledge. We diligently participated in many community activities and finally we were able to shine with the "Harding Pride." After four years of working in and out of school many looked to college. Some went on to

military service and some immediately entered the vocational field.

As we look back, four years is a very short time. We accomplished much, but we still have a long way to go to fulfill our lives.

BACKWARD GLANCES

Backward glances
Review the times
That have passed,
Both yours and mine
Things we've lost,
Shared and wan
Thoughts we've cherished
Loads we've borne.
We turn around;
We tilt our heads;
We glance back,
But walk ahead.
